

MICHAEL MISCELLANEOUS

Mostly here I just have listed random thoughts, experiences, and the like not listed in other areas on my pages. I will come back and add to this as time goes on. I want to add some more to some of the categories listed, and I know some other categories I would like to still do;

1. Things I love and/or appreciate about family and friends
2. Places I have been
3. Places I want to go
4. Entertainment Experiences (non music)
5. Favorite People in History
6. ... and maybe one of those long MySpace questionnaire type things. A couple I have seen if you answer sincerely would sure give the great grandkids a good feel for their G-pa.

Anyway.... Here's what I got so far:

THINGS I DON'T LIKE

Frustrating things	People Dislikes	Food dislikes	Misc Dislikes
Bad Drivers	Most Republicans	Most Beans	Meth (Fucking shit)

The Political System	Judgmental People	Cold Coffee	Cheap Non-aged Liquor
